The End

Every good thing has to come to an end. So this will be the last issue of the Buzz. After 18 issues produced mainly solo, I have to declare forfeit. By creating this newsletter, I was hoping to have more feedback, ideas, etc. Thank you to all who provided articles they wished to share with our community.

I'm sure at some point, someone will create another news letter for Consejo Shores.

It has been a lot of fun to dig out articles and figure out what could be of interest to all of you.

Wishing everyone a Merry Christmas and a very Happy New Year 2024

Twisted Triple Crown

CNW team

The Twisted Triple Crown is a trifecta event, attended by residents and spectators of multiple Consejo neighborhoods. The event was originally created by Tom and Rose Gardner, in 2012. Then, Denise Filmore took over until Covid Lockdown.

The Twisted Triple Crown takes place on 4 different weekends, at the start of the year, with 32 contestants competing, forming 16 teams, while their friends and neighbors cheer them on. It culminates with an award ceremony at a potluck luncheon.

32 Players:

\$25/per person is the total fee which covers all 4 events. No fee to hang out and watch as a non-participant: Those Consejo residents, who email twistedtriplecrown@gmail.com first, on Saturday November 4th, after 12 noon, Consejo time, are on the list first. A reminder message will be sent out that morning. Payment due by Nov 30 to secure your spot.

Substitute standby players: no fee. Names will be taken in December to fill in for a player as needed.

Players are randomly teamed up with others for each event by drawing numbers. Each event will have their own winner that will be receiving an award on the March 16th during the Award Ceremony Luncheon.

Non-player Award Ceremony luncheon fee for March 18th: \$15
